

It's just...
Can we stay
like this
for a little
while?

Of
course.

Yes.

It-ah-san,
I've realised I'm
steadily becoming
closer to
people.

Recently, there
are mornings
where I feel too
exhausted to
get up.

I've grown to
love meals
more than
I used to.

I've come to
the realisation
that being with
you fills my
heart with
warmth.

Asagi-san,
L

Falling in love
with you, becoming
this close to
someone else...
It's scary.

Terrifying

So do
you

...Kagami-san.

It's
because
you're
here.

That's
also why
I can never
shed tears.

It's
because
you're here
for me.

...I know.
